LaVernia, TX

The South Texas Pinto Club will be moving our shows to San Antonio Rose Palace this year! Last year posed unprecedented challenges for all of us. We are most grateful to our many friends and supporters who helped us continue our tradition of offering the largest Pinto show in Texas. We were very fortunate to have had a successful event despite the daunting hurdles posed by our previous location. We are hopeful that things will continue improving between now and our shows, and

Our horse show serves as the primary starting point for so many youth riders and we hope you will consider supporting our organization. The Foundation was established in 1999, and received 501(c)(3) organizational status from the Internal Revenue Service with the goal of continuing the support given to local non-profit emergency healthcare services in the area, animal welfare organizations, and promoting equestrian sports, education, and recreation in Texas. Proceeds from the show have been used to support our local community. We are happy to serve as a gateway for thousands of horse enthusiasts. Our organization is also committed to animal welfare and supporting the local youth in our industry.

The success of our event is dependent upon the generosity of our friends, exhibitors and corporate sponsors. We welcome your support in keeping this great tradition alive. In this age of largescale, commercial horse shows, it is so important for events like ours to thrive and prosper. So many Equine professionals have gotten their start at these local horse shows and we are determined to keep the smaller weekend horse shows alive! We would be most grateful if you would take a moment to review the enclosed sponsorship form, mark your level of participation and return it to us. We look forward to welcoming you back as a sponsor and we are excited to be bringing a horse show back to the San Antonio Rose Palace!

Sincerely,
South Texas Pinto Board Members
